### Job description

KPMG China provides multidisciplinary services from audit and tax to advisory, with a strong focus on serving our clients' needs and their industries. Not only do we have an overriding commitment to provide the highest quality services for our clients, but we also strive to become a responsible corporate citizen that has a positive impact on our environment and community. At KPMG, you'll translate insights into action and reveal opportunities for all-our teams, our clients and our world.

### Responsibilities

- Perform actuarial audits in support of the audits of financial statements in a variety of GAAPs such as HKFRS, IFRS, PRC GAAP, US GAAP, and other European standards
- Review the actuarial basis, methods, assumptions and related practice
- Review and analyse the actuarial technical works, including but not limited to the computation of reserve, embedded value, value of new business, source of earning etc
- Identify and help resolve complex audit and actuarial issues

- Manage or participate in projects to deliver quality audits and advisory services
- Conduct necessary research on the market trend, industry innovation etc
- Meet with clients regularly to obtain updates on their business, discussing issues, presenting key findings, and making practical recommendations.
- Support Audit and Advisory professionals
- Play a key role in preparing presentations, proposal, and actuarial reports
- Deliver high quality work assigned by partners and director in a timely manner

## **Experience**

- A minimum of two years relevant actuarial experience in the life insurance industry with a strong focus in financial reporting
- Fellowship member of an internationally recognised actuarial professional body is preferred
- Strong technical skills and ability to research actuarial issues in a wide variety of GAAPs; exposure to the Sarbanes-Oxley Act is desirable
- Ability to make sound business judgments in assessing the significance of issues and developing value-added recommendations
- Excellent communication skills in both oral and written English and Chinese
- Self-starter with good analytical skills and a proactive approach to problem solving
- Ability to multi-task, be flexible, meet tight deadlines and work under pressure
