Job Title

Technical Product Manager

Job Description

The Technical Product Manager (TPM) Role is responsible to execute Lifecycle Management activities for High Voltage Generator components manufactured in Suzhou. The TPM is a key interface to OEM customers based in China, providing technical customer support, and conducting failure analysis on field returns of such components.

You are responsible for

The TPM is responsible for product quality KPI's, initiating and executing continuous improvement projects, representing his product portfolio towards internal stakeholders as well as externally towards OEM customers.

Multiple OEM customers are headquartered in China. The TPM is a key contact person for these customers to take care that customer needs are well understood and are translated into appropriate actions to ensure a positive customer experience with the related high voltage components.

The TPM is acting in close alignment with various cross functional roles, the OEM Program Manager, Product Owner, Product Quality Manager, Supplier Quality Manager as well as multiple production functions.

The role includes complaint handling, risk management, obsolescence management, ensuring

product supply in accordance with regulatory standards as well as the company quality and product safety policy.

To succeed in this role, you should have the following skills and experience

Education / Experience:

Bachelor's degree in an electrical engineering domain, Electronics or Power Electronics with 2+yrs of working experience

Good theoretical and practical knowledge in electrical engineering, especially in the field of high voltage and power electronics

Experience and knowledge with electronic circuit simulation tools (PSpice, MathCad)

Experience in design of power electronic units for higher frequencies and knowledge of resonant power inverters.

Knowledge in EMC.

Skills:

Advanced communication skills

Desire for teamwork in a global environment

Fluent in spoken and written English

Problem Solving

Analytical Skills

You are a part of

A diverse, globally acting and highly engaged team representing the DUNLEE brand of Philips Healthcare. We are partnering with customers in many cultures on multiple continents and we are committed to continuously improve customer satisfaction and thus to ambitiously grow our business.

About Philips

We are a health technology company. We built our entire company around the belief that

every human matters, and we won't stop until everybody everywhere has access to the quality healthcare that we all deserve. Do the work of your life to help the lives of others.
